

# Year 1 Homework Menu

## Autumn 2

**Compulsory (complete each week)**

**WALT read for pleasure**

Read for at least 10 minutes a day and sign the reading record book each day.

Completed on: \_\_\_\_\_

**Literacy**

**Can I sequence a story?**

Choose your favourite non-fiction book and create a story sack/box to go with it. Once finished, practise retelling the story using the objects you put in your sack/box and write the story in your book. Don't forget to bring in your story boxes to share with the class.

Completed on: \_\_\_\_\_

**Maths**

**Can I write numbers 1 – 20 accurately?**

**Can I count from any given number within 50?**

practise writing out your numbers 1 – 20 ensuring all numbers are the right way round.

**Challenge:** Make your own number line: choose any number between 1 and 50 and count up 20 spaces.

26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44 45 46

Don't forget to go on [mathletics.co.uk](http://mathletics.co.uk) too!

Completed on: \_\_\_\_\_

**Compulsory (complete each week)**

**Spellings**

Learn your spellings each night for 10 minutes. Spellings are handed out on a Tuesday to be assessed the following Tuesday. Please ensure you return your spelling books to school ready to complete the check.

Completed on: \_\_\_\_\_

**Experience**

**Can I describe what happens to the trees between Autumn and Winter?**

To support our science topic – 'Seasonal change' – take a walk through a wooded area either to the park or a meadow and take a picture of what is happening to the trees during the transition between Autumn and Winter. Can you describe what is happening to the leaves?

Completed on: \_\_\_\_\_

**Maths**

**Can I recite my number bonds within 10?**

practise your number bonds within 10 at home. Make up a rhyme to help you remember them e.g. 0 + 10 are big strong men, 1 + 9 are feeling fine etc.

**Challenge:** Can a number bond to ten have more than two parts? How many examples can you think of? Can you prove it?

**E.g.  $3 + 4 + 3 = 10 - 1 + 2 + 4 + 3 = 10$**

Completed on: \_\_\_\_\_

**IPC**

**Can I retell stories from people who have lived in a variety of cultures from the past, about a celebration they have taken part in?**

Have a chat with a close family member or friend who has lived in another culture. As you know, our topic this term is 'Let's Celebrate' so we would like them to tell you a story about a celebration they have participated in in the past. This could be a celebration of Diwali, a birthday, a wedding, Christmas, Hanukah etc. We look forward to hearing many cultural stories from the past.

**Challenge:** Retell and write the story in full sentences in your homework book.
